

Learn and Play- Course Content Review

School and Grade: Learn and Play 7-9 Time of lesson: Monday, 15:30-16:15

Teacher: Ryan Sandoval

Program Learn and Play:

Počet dětí navštěvujících kurzy Learn and Play je relativně nízký (max. 8 dětí), což umožňuje lektorovi pracovat s dětmi na osobnější bázi a být schopen zhodnotit a věnovat se jejich konkrétním potřebám. Lekce se zaměřují na komunikaci a tvorbu sebedůvěry, ale v pozdějším věku zároveň i na schopnost čtení a psaní. Menší počet dětí ve skupince umožňuje učiteli vést děti k tomu, aby využívaly svých znalostí v nenucené a zábavné atmosféře. Lekce jsou složeny především z her, říkanek, písniček tak, aby si děti co nejvíce zapamatovaly slovní zásobu a osvojily si jednoduchá slovní spojení a věty.

> Month - Year October - 2016

Vocabulary	Structures	Games and activities used
Revision of Habitats: Farm animals Zoo animals Ocean Animals	Phrases: What color is the octopus? What color is the shark? Shark is grey.	Flashcard race: Use the clues given by the lector to get to the flashcard the fastest.
