

## English Time - Course Content Review

School and Grade: ZS Bystrovany  
Time of lesson: Wednesday, 1:15 – 2:00pm  
Teacher: Micah Reaves

### **Program English Time:**

Děti jsou do lekce angličtiny vtahovány hrami, soutěžemi ve dvojicích, v týmech i samostatnou prací. Postupně se seznamují i s psaným jazykem. K seznamování dochází postupně a nenásilně v několika krocích. Tato metoda je tak vhodná i pro výuku angličtiny pro dyslektiky a dysgrafie. Lektor v lekcích vytváří přátelskou atmosféru, vede děti k vzájemné spolupráci a motivuje je k vlastnímu vyjádření.

Hodiny jsou především založeny na mluvení a jako takové nejsou podporovány psanými texty. Na základní škole může učitel nicméně čas od času přinést materiály používané v programech Learn and Play. Tento report také naleznete na našich webových stránkách v sekci reporty.
