

English Time - Course Content Review

School and Grade: ZS Heyrovskeho2
 Time of lesson: Thursday, 14:20 – 15:05
 Teacher: Ivan Y. Youmbissi

Program English Time:

Děti jsou do lekce angličtiny vtahovány hrami, soutěžemi ve dvojicích, v týmech i samostatnou prací. Postupně se seznamují i s psaným jazykem. K seznamování dochází postupně a nenásilně v několika krocích. Tato metoda je tak vhodná i pro výuku angličtiny pro dyslektiky a dysgrafiky. Lektor v lekcích vytváří přátelskou atmosféru, vede děti k vzájemné spolupráci a motivuje je k vlastnímu vyjádření.

Hodiny jsou především založeny na mluvení a jako takové nejsou podporovány psanými texty. Na základní škole může učitel nicméně čas od času přinést materiály používané v programech Learn and Play. Tento report také naleznete na našich webových stránkách v sekci reporty.
