

English Time - Course Content Review

School and Grade: MS Purkynova
Time of lesson: Monday, 8:00 – 9:15
Teacher: Youmbissi Ivan

Program English Time:

Děti jsou rozděleny do skupin podle věku, princip výuky je však pro všechny věkové skupiny stejný. Děti jsou do lekce angličtiny vtahovány hrami, soutěžemi ve dvojicích, v týmech i samostatnou prací. Postupně se seznamují i s psaným jazykem. K seznamování dochází postupně a nenásilně v několika krocích. Tato metoda je tak vhodná i pro výuku angličtiny pro dyslektiky a dysgrafiky. Lektor v lekcích vytváří přátelskou atmosféru, vede děti k vzájemné spolupráci a motivuje je k vlastnímu vyjádření.

Hodiny jsou především založeny na mluvení a jako takové nejsou podporovány psanými texty. Na základní škole může učitel nicméně čas od času přinést ofoceně kopie používané v programech Learn and Play. Tento report také naleznete na našich webových stránkách v sekci reporty.
