

English Time - Course Content Review

School and Grade: ZS Zeyerova2
 Time of lesson: Friday, 1:15 – 2:00pm
 Teacher: Micah Reaves

Program English Time:

Děti jsou do lekce angličtiny vtahovány hrami, soutěžemi ve dvojicích, v týmech i samostatnou prací. Postupně se seznamují i s psaným jazykem. K seznamování dochází postupně a nenásilně v několika krocích. Tato metoda je tak vhodná i pro výuku angličtiny pro dyslektiky a dysgrafiky. Lektor v lekcích vytváří přátelskou atmosféru, vede děti k vzájemné spolupráci a motivuje je k vlastnímu vyjádření. Hodiny jsou především založeny na mluvení a jako takové nejsou podporovány psanými texty. Na základní škole může učitel nicméně čas od času přinést materiály používané v programech Learn and Play. Tento report také naleznete na našich webových stránkách v sekci reporty.

Month - Year November-December – 2018

<p>Inventors and their inventions: Albert Einstein-Theory of Relativity Alfred Nobel-dynamite Robert Oppenheimer-atomic bomb Otto Wichterle-contact lenses Henry Ford-mass production of cars Alexander Fleming-penicillin Alexander Bell-first telephone Thomas Edison-lightbulb Leonardo daVinci-flying machine Johannes Gutenberg-printing press Steve Jobs-Apple Bill Gates-Microsoft Wright Brothers-Wright flyer</p> <p>Technology: Battery, lamp, clock, computer, laptop, printer, 3D printer, pocket camera, video camera, Polaroid, joystick, game consoles, drone, sports car, nanobot, google glasses, clone, time machine, teleportation, syborg, Artificial Intelligence, Virtual Reality, light speed, jet pack, hologram, robotic prosthetic, telescope,</p>	<p>Phrases: Who invented the atomic bomb?...Robert Oppenheimer. What did Alexander Fleming invent?...penicillin. Who invented contact lenses?...Otto Wichterle. What did Leonardo daVinci invent?...flying machine. Who invented the printing press?...Johannes Gutenberg. What do you need when you want to fly an airplane in a video game?...a joystick. What contains electricity and has + and - signs?...a battery. If I wanted to travel to 1923 what would I need?...a time machine. What uses light to make a 3D image?...hologram. What has batteries and helps you see at night?...flashlight. What is the capital city of</p>	<p>Typhoon: There is a number and letter grid on the board. I show a card and the one who says it first gets to choose a box from the grid(i.e. A1, D4, C2). The boxes either have money, a swap, or typhoon. If they get the typhoon, they lose all their money. If they get a swap, they have to swap their money with another player. The winner is the one with the most money at the end of the game.</p> <p>Boggle: I write 16 random letters in a 4x4 grid and the students are split into two teams. The goal of the game is to write as many english words as you can ,with the letters from the grid, in 3 minutes. However they can only use each letter in the grid once per word. If both teams have the same word it gets crossed out. They only score points by writing words that the other team doesn't have. They get one point per word. The team with the most points wins.</p> <p>Jenga: I split the students into two teams and select one person from each team. I then show</p>

 Russia-Moscow
 Mexico-Mexico City
 New Zealand-Wellington
 France-Paris
 Iceland-Reykjavik
 Spain-Madrid
 Japan-Tokyo
 Great Britain-London
 Australia-Canberra

Poland?...Warsaw.

What is the capital city of Croatia?...Zagreb.

What is the capital city of India?...New Deli.

Moscow is the capital city of what country?...Russia.

Pretoria is the capital city of what country?...South Africa.

Reykjavik is the capital city of what country?...Iceland.

them a flash card, and the one who says it first does not have to play. The one who said it second has to take a block from the tower. The team who makes the tower fall over loses.

Scrabble Dice:

There is a cup of dice with letters on them and each team takes turns rolling the dice and trying to make connecting words with them. The winner is the one with the most points at the end of the game.
